DECISION GRANTING  
PETITION TO RESET  
PERIOD FOR REPLY

This is a decision on the petition filed on October 15, 2007, requesting that the period for reply set forth in the Office communication mailed on December 26, 2006 be restarted so to June 20, 2007 and that the 5 month extension of time fees paid be refunded as the December 26, 2006 office communications was not received.

In the absence of any apparent irregularity associated with the mailing of an Office communication, the Office presumes that the communication was properly mailed to the address of record. This presumption may be overcome by showing that the Office communication was not received.

The relevant portion of MPEP § 711.03(c) states:

The showing required to establish nonreceipt of an Office communication must include a statement from the practitioner stating that the Office communication was not received by the practitioner and attesting to the fact that a search of the file jacket and docket records indicates that the Office communication was not received. A copy of the docket record where the nonreceived Office communication would have been entered had it been received and docketed must be attached to and referenced in practitioner's statement.

In support of the petition, the petitioner stated that the Office Action mailed December 26, 2006 was never received by applicants and stated applicant's representative only discovered the Office Action recently. The petitioner supplied a copy of docket record (Exhibits D & E) showing that the Office Action was never received by applicant's representative. The docket record shows no entry reflecting receipt of the Office Action. Petitioner additionally provided a statement attesting to the fact that a search of the file jacket and docket record indicated that the Office Action was not received.

For the above-stated reasons the period for response for the December 26, 2006 office communications is hereby reset to begin June 20, 2007. As such the June 25, 2007 response

does not require the paid 5 month of extension of time and this payment (2,160.00) is considered in error and is hereby refunded

For the above-stated reasons, the petition is **GRANTED on both accounts**.

Another office action is being prepared by the examiner and should be received shortly by applicant.

Any inquiry concerning this decision should be directed to the undersigned whose telephone is (571) 272-3612. A second point of contact is QAS Kim Huynh at (571) 272-4147.
